

Notebook software Version 10 Toolbars

Notebook software toolbar

The Notebook™ software toolbar gives you access to a number of tools to help you work with your Notebook file. By default, the toolbar appears at the top of the Notebook page. When you are working at the SMART Board™ interactive whiteboard and you prefer to sit, or are working with young students, it may be more convenient to move the toolbar to the bottom of the page. To do this, press the double-ended, vertical arrow on the far right of the toolbar.

Side Tabs

There are four tabs on the side of the Notebook interface (shown below on the right-hand side of the work area). Click the double-ended horizontal arrow to move the tabs from one side of the work area to the other.

You can hide the side tabs from view when you have finished working with them by checking the Auto-hide check box.

Click the double-ended, horizontal arrow to move these four tabs from one side of the page to the other. The tabs below are shown on the left-hand side of the work area.

Click the **Page Sorter** tab to allow you to see a thumbnail image of each page in the Notebook file, navigate to a different page, create page groups or reorder the pages.

Click the **Gallery** tab to access collections of SMART's custom pages, clip art, Adobe® Flash® animations, audio and video you can add to the Notebook file.

Click the **Attachments** tab to add hyperlinks to or attachments from other software applications to the file.

Click the **Properties** tab to format shapes, objects and text.
