Directions

To Assemble Your Activity:

- Print the activity on cardstock one sided to two sided
- Laminate the pages if desired
- Cut each card along dotted line

Teaching Directions

Scatter the cards on the table face down. Have the students take turns choosing a card and reading the sight word. If the student draws the Boo! card, all the cards need to be placed back in the pile and play continues. The player with the most cards at the end of time wins the game.
