Enter Walsworth's 2016 Photo Contest for a chance to win one of eight \$100 Visa® gift cards and a pizza party for your yearbook staff.

How to Win

It's easy – just give us your best shot! You can enter up to five photos in the contest.

Prizes will be awarded to one photographer in each of the eight categories, and students can enter up to five photos total. Winners will be chosen by a panel of expert judges and will be selected based on the quality of photo, appropriateness to category, photography rules followed, and creativity demonstrated. Open to all schools across the U.S. and Canada. Must be 13 years or older and a student in grades 6-12 to enter. For complete rules, go to walsworthyearbooks.com/contests.

- **Academics** – Show us learning in progress.
- **Club or Organization/Community Service** – Clubs and organizations allow groups to shape each individual as well as the community. Show us how.

- **Photo Illustration** – Show us a photo that has been modified, manipulated or otherwise features special effects that were created to tell a story.
- **School Spirit** – We want to see the meaning of school pride displayed on the sidelines, in the stands, at practice – by anyone not competing in an athletic event.
