100th Day Graphing

You will need 100 jellybeans (you could use M&M's) per group. Sort the jelly beans by color. Write the color and the number in the chart below.

| | | | | | | | | | | |
|--------|--|--|--|--|--|--|--|--|--|--|
| Color | | | | | | | | | | |
| Number | | | | | | | | | | |

Make a graph of the jellybean colors.
