

## The Ancient Greek Olympics at Capron Elementary School!

Capron's third graders celebrated the Ancient Greek Olympics on 10/26/12. They traveled back in time and learned the contributions given by Ancient Greece such as; the Olympics were held on Mt. Olympia and created to honor the Greek god Zues, the Olympics were held every 4 years and eventually grew to have competitors from all over the entire world. The children participated in four events: Relay Race, Javelin, Discus, and Jumping. The students also made literary connections in reading The Magic Tree House book Hour of the Olympics. Teaching and learning never stops at CES!
