Show Off Learning Invitation

First grade will have our first "Show Off Learning" for parents during math class. You will invite your parents to come by completing a card engineering activity that you will take home asking them to visit our class.
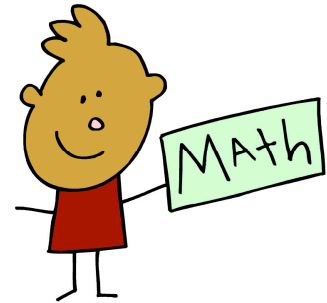

Design Challenge:

Design and make an invitation to give to your parent inviting them to "Show Off Learning" for math.
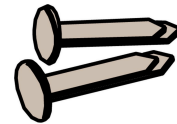

Criteria:

Your card must have:

- ❑ a pop-up.
- ❑ a moving part.
- ❑ numbers on the pop-up.
- ❑ "**You're Invited to Math Class**" on the outside.
- ❑ the date and time on the inside.
- ❑

Materials:

- construction paper
- scrap paper
