THROW THE SWITCH.

After hours without food,
a good breakfast of fruit,
lowfat dairy, whole grains,
and lean protein gets you
fired up for action again.
And if you skip breakfast
or eat just fat and sugar?
Then your mind and body
will stay in the dark all day.

Broccoli is one of the most healthful foods you can eat. By weight, steamed broccoli has more vitamin C than an orange and as much calcium as milk. It's also a good source of fiber and is high in beta-carotene, a cancer-fighting substance. Broccoli retains more nutrients (and smells better, too!) when it is not overcooked.
