

Name

WRITE WITH HOMOPHONES

Homophones are words that sound the same, but have different spellings. For example:

She blew on the tea in the blue mug to cool it off.

For each pair of homophones, write a single sentence that contains both words.

1. hear , her e

2. which, witch

3. guessed, guest

4. new, knew

5. root, r oute

6. right, write

7. ther e, their

8. weather , whether

9. wood, would

10. chews, choose
