March 22, 2023

Dear SHS Students and Families,

I am writing to let you know that online schedule requests for the 2023 - 2024 school year will be available through the PowerSchool Student/Parent Portal from **Friday, March 24, 2023 until Friday, April 7, 2023**.

Students will be able to submit their requests for next year's courses through the system using their school-issued iPad or other Internet-connected device by navigating to the link below and signing in to the portal.

<https://powerschool.southampton.k12.va.us/public/>

Please be aware that these are requests, and enrollment in a requested course is not guaranteed (although our scheduling team will do its best to satisfy as many requests as possible). Finalized schedules will be distributed digitally this summer.

Our counseling staff will be available to assist with scheduling and course selection, including support for choices about accelerated coursework, college-level AP coursework, dual enrollment, and specialized programs such as the Governor's School for the Arts. Please reach out to us at 757-653-2751 to speak with one of our counseling staff.

Respectfully,

M. Blunt

MeChelle S. Blunt, Ed. D.
Interim Principal
