Mrs. Devonda Gary,

March 22, 2023

Dear Parent or Guardian:

As your child's school nurse, I want to remind all parents of rising seniors C/O 2024 of the meningococcal vaccine required prior to entry of school on September 5, 2023. The Virginia Department of Health and Department of Education requires all 12th grade students to have a second dose of Meningococcal vaccine.

Upon completion of the immunization, the documentation certifying that the vaccination requirement has been completed must be submitted to the school prior to entering the twelfth grade. Senior students (Class of 2024) will not be allowed to attend school until this requirement has been met.

Vaccines are available at your physician's office, local pharmacies, and the health department.

Sincerely,
Joyce Tomlin, RN
SHS School Nurse
